## Editorial

The present issue of AETHIOPICA, like the preceding one, is partly monographic, with a section containing the proceedings of the Panel on Islamic Literature in Ethiopia: New Perspectives of Research, from the '19<sup>th</sup> International Conference of Ethiopian Studies', held in Warsaw, Poland, on 24–28 August 2015.

Starting from this issue, the annual bibliography on Ethiopian Semitic and Cushitic linguistics held from its inception in 1998 for eighteen years by Rainer Voigt is handed over, on Voigt's own will, to a pool of younger scholars, with the substantial support of the AETHIOPICA editorial team. I would like on this occasion to express the deep gratitude of the editorial board of AETHIOPICA and of all scholars in Ethiopian Semitic and Cushitic linguistics to Rainer Voigt for his fundamental and valuable contribution.
